

FUNDRAISING EVENT DESCRIPTION

Car Wash –

Hold a car wash fundraiser for Heart Heroes! This is a great fundraiser for a group. Pick your location- a church parking lot or business parking lot can be good options (make sure it has water access). Try to find a location with visibility from the street to get people's attention. Post signs with location and times. Bring buckets, soap, sponges, dish towels, hoses and old clothes and get ready for a fun time! You could even sell lemonade, bottles of water and goodies like cookies or brownies throughout the event for people while their car is being washed!
