

FUNDRAISING EVENT DESCRIPTION

Parent's Night Out –

Host a babysitting for parents (Valentines' Night would be a great one)! Show a movie, play games, have pizza and dessert – entertain the kids at a church, rec center, or school while the parents have a night out! Recruit volunteers from area high school teams and clubs (especially those with volunteer requirements). Create an informational flier and sign-up form. Solicit food donations and coordinate equipment for showing the movie.
