

the official CAPE

The “official” Heart Hero Cape is adorned with a Heart Hero Badge of Honor. Each cape is unique to the Heart Hero but the gift of hope is universal.

Heart Heroes face unique challenges due to their CHD diagnosis. They show great courage which carries them through life-saving operations, countless doctors’ appointments, and hospital stays. Thus, Heart Heroes have been empowered with a superhero cape to help sustain their incredible bravery.

If you or someone you love is diagnosed with CHD, we would be honored to provide them with their very own Heart Hero Cape in celebration of their bravery and heroism.

who WE ARE

Since 2009, Heart Heroes has evolved to increase support and awareness for the #1 birth defect worldwide, Congenital Heart Defects (CHD). Heart Heroes provides much-needed support to the families forced to be brave as they navigate an unimaginable journey.

In 2021, Heart Heroes and another local CHD organization joined forces becoming the only CHD nonprofit in Nebraska and the largest CHD advocate in the Midwest. Each year, we're providing more services to CHD families and becoming a trusted resource for national funding and support.
